Tina's Cuckold Contemplations (The Hot Wife's Crisis): An Explicit Erotica Story Marlene Blackburn

When Tina and Jerod lose their swinging couple partners, they're sad as hell. Tina is particularly worried because she doesn't know if she can satisfy Jerod's needs to be cuckolded without help from the more experienced swingers and she knows for certain Jerod won't satisfy her. What can she do to find someone to help her dominate Jerod while meeting her desperate need to be submissive?

Warning: This ebook contains very explicit descriptions of sexual activity and includes cuckolding, masturbation, and other explicit sex. Only mature adults who won't find that offensive should read this story.

Here is a preview:

In the morning, I realized all my intentions wouldn't matter. If we didn't deal with the situation, it was highly possible I'd end up sneaking off for one night stands again. Maybe just to keep myself on track, I woke him up with a blowjob. As was typical, I only had my mouth on him for about a minute before he came but even though in the distant past I would have been obviously angry about that and in the recent past I would have teased him about it and tried to humiliate him, this morning I just sucked eagerly and I even swallowed, something reserved for special occasions. I kissed the tip of his cock and then took a shower and got myself cleaned up. Later in the day I hit the internet, determined to find some way to keep the spice alive.

It didn't take long to find some possibilities. There were some sex clubs in the area and there was also a nudist resort about an hour away. There was a chatroom dedicated to swingers and even though we'd really only been involved with two couples and were pretty much monogamous with them (if it could be called monogamy) I thought it was a good place to start. As I read through the posts, though, I realized none of it really appealed to me. There were plenty of people who wanted to just swap but I wasn't interested in having sex with someone if Jerod wasn't in the room, at least not unless it was part of a larger scenario designed to humiliate him in the way he liked.

I was ready to give up when I came across an ad for a party on one of the swinger sites.
