Americana (Contemporary American fiction) Don DeLillo

The first novel by Don DeLillo, author of *White Noise* (winner of the National Book Award) and *Zero K*

At twenty-eight, David Bell is the American Dream come true. He has fought his way to the top, surviving office purges and scandals to become a top television executive. David's world is made up of the images that flicker across America's screens, the fantasies that enthrall America's imagination.

And the the dream--and the dream-making--become a nightmare. At the height of his success, David sets out to rediscover reality. Camera in hand, he journeys across the country in a mad and moving attempt to capture, to *impose* a pattern on his own, and America's past, present, and future.
