It's here! The second installment in the USA Today bestselling series, MC Sinners Next Gen. This book can be read as a standalone.

They say opposites attract. In my world that isn't a good thing.
I did everything I could to escape the grips of motorcycle club I grew up in when I turned twenty-one.
It wasn't about fear, or betrayal, or even lack of love. I just needed my own life.
I had to know how it felt to stand on my own two feet without their protection.
Then I met Diesel. Mysterious, dark, with eyes that screamed to be understood.
From the second I met him, I knew I needed to be in his life.
There's just one problem – he's a member of a different motorcycle club.
Two things that should never be combined. Yet I can't stay away.
No matter how hard he pushes. I can see beyond his mask.
I need to know who he is and I'll overcome any obstacle to be in his life.
A friendship is born, followed by an epic love.
Our relationship is forbidden.
But I'll do anything to be in his life.
Anything.

This book contains mature themes.
