John Sandford's book *Gathering Prey* is the 25th installment in a series going strong since the late 1980's. It's set in the sprawling Midwest, following a roaming group of outcast killers on the road. The outlaws look for easy targets to be their next victim. Unfortunately for travelers, people who drift around the United States with few connections and fewer possessions, they are all too easy of a target. Given their lifestyle they are rarely missed because everyone that knows them assumes they just moved on to the next town. Funded by drugs, robbing, and prostitution, and fueled by their own greed and insatiable appetite for killing, the group of outcasts seems unstoppable. Camouflaged by a music cult known as Juggalos and lead by a true psychopath, how many more lives will be lost to a man known only as Pilate, and his disciples?
