The Best of Holidays & Seasonal Celebrations : Kid Space

What is kid space? It's a grassy field or a bit of pavement. It's a snowy sidewalk, a leafy woodland or a backyard playground. It's that place right outside the walls of your school where learning and discovery are waiting to happen!

How can you make the most of the teaching opportunities in your outdoor kid space? You'll find the answer in these innovative ideas, activities, teaching tips and learning adventures compiled from the pages of the best-selling magazine Holidays & Seasonal Celebrations. We've taken the best, most-requested "Kid Space" features and put them together in one easy-to-use resource.

These teacher-tested ideas get children actively involved in their surroundings, bringing them closer to the world of plants and animals, the weather, seasonal changes in nature, as well as holiday traditions. Each season includes games, guided explorations, sensory experiences, cooperative play, science experiments, math and language skill-builders, arts and crafts, action rhymes, field trips, take-home materials and much more.

Start the school year with a sensory hike, leaf crafts, a Halloween pumpkin party or a city nature search. Welcome winter with snow and ice experiments, bird feeders, sundials you can make yourself and an outdoor Olympics. Celebrate spring with bug hunts, mud murals, Earth Day explorations and a strawberry stand.

From stomping out letters in the snow to the quiet observations of insects in the grass, from tracing shadows on the pavement to planting a school yard garden, the exciting resource overflows with creative ways to put children in touch with the great outdoors!
