For more than 30 years, the Essene Book of Days has called forth the wisdom of the Essenes as revealed in the Dead Sea Scrolls. This popular personal journal begins each morning with a blessing and ends each evening with a meditation. Beautifully illustrated with line drawings depicting the changing seasons, each page is designed to better help the journal writer to stay in touch with nature's cycles. Astrological information on the movements of the sun and moon through the Zodiac appear every day to complement and complete the cycle of the year. Printed on recycled paper with environmentally friendly inks, all sales benefit the nonprofit work of the Earthstewards Network.
