The Impending Crisis 1848-1861 (The New American Nation series) David M. Potter

David M. Potter's Pulitzer Prize-winning *The Impending Crisis* is the definitive history of antebellum America. Potter's sweeping epic masterfully charts the chaotic forces that climaxed with the outbreak of the Civil War: westward expansion, the divisive issue of slavery, the Dred Scott decision, John Brown's uprising, the ascension of Abraham Lincoln, and the drama of Southern secession. Now available in a new edition, *The Impending Crisis* remains one of the most celebrated works of American historical writing.
