Unraveling My Thoughts Ms. Shanna T. Melton

Unraveling My Thoughts is a collection of poetry that explains my perspective on love, courage, grace, and humanity. It honors those who came before me like Maya Angelou, Martin Luther King & Malcolm X, it travels through my feelings about being angry after a love experience and ventures into the love of my great grandmother. It is my human experience gathered together and creating a symphony. As a poet and painter, I have performed many of these poems in venues from Atlanta through Canada. This is the "yes I do have a book" response to all those who have asked over the years. This is what people who care about my art will have to remember when I am no longer here. This is a dream manifested.
