Blood in the Rain: seventeen stories of vampire erotica Cecilia Duvall

In this collection of erotic vampire tales from authors Northwestern and Northwestern at heart, the creatures range from classic to alien, from dom to sub, from blood-drinking to soul-sucking. In Jeff Mann's "Summer Solstice Sacrifice," a burly, kilted vampire faces losing a lover or turning him before it's too late. Colleen Anderson's "Hold Back the Night" explores how cultural norms divide two very different women in Mumbai—one of them undead. A male vampire watches his wife solve his murder in Joscelyne Gray's "The Longest Death of the Year." And Sara Dobie Bauer in "Forever Dead" brings us a muscular, vamp-hunting detective with an uncomfortable hankering for a blood-sucking guy. Whatever your sexual orientation, you'll find something here for you.
