Canning the Center (The Long Pass Chronicles) Tara Lain

A Novel in the Long Pass Chronicles

Six foot seven inch, 300 pound Jamal Jones loves football, so when he finds out the ultra-conservative owner of his new pro football team fired their current center because he's gay, bisexual Jamal decides to stay in the closet and hang with the females. Then, at a small drag show, he comes face-to-face with his sexual fantasy in the form of Trixie LaRue, a drag queen so exquisitely convincing she scrambles Jamal's hormones—and his resolve to nurse his straight side.

Trevor Landry, aka Trixie LaRue, hides more than his genitals. A mathematician so brilliant he can't be measured, Trevor disguises his astronomical IQ and his quirk for women's clothes behind his act as a gay activist undergrad at Southern California University.

To Trevor, Jamal is the answer to a dream—a man who can love and accept both his personas. When he discovers Jamal's future is threatened if he's seen with a guy, Trevor becomes Trixie to let Jamal pass as straight. But Trevor risks his position every time he puts on a dress. Is there a closet big enough to hold a football pro and a drag queen?
