The Feasts of the Lord are shadows, types or patterns of what is to come in the future. They are not the reality but only a shadow of the reality. Pesach or Passover is the first of these types. It foreshadows the death, burial and resurrection of our Lord Yeshua. It is our intent to show how the Jewish celebration of the Passover Seder has meaning for us as Christians. I believe that once you have experienced the Seder from a Christian perspective that the practice of communion will have a whole new meaning for you. You will have a clearer understanding of the importance of the Old Testament and a new appreciation for the New Testament.
