The BMAT (BioMedical Admissions Tests) is used at many UK universities, including Cambridge, Oxford, Imperial College, University College London, and Royal Veterinary College. It is a subject-specific admissions test taken by applicants to certain medicine, veterinary science and related courses, such as pharmacology, psychological sciences and biomedical science. *How to Pass the BMAT* provides practice tests for the multiple choice sections – the aptitude and skills section and the scientific knowledge and application section – as well as the writing element.
