*The transformative professional learning model that advances equity in your school!*

How do we make educational equity a reality, lesson by lesson? Author Tonya Singer shows how team observation and learning can strengthen schools and support educational achievement by all students. Including video clips of actual teams, this book helps to:

- Implement best practices for observation-based professional learning
- Work as a team to create a culture of deep collaboration that closes opportunity gaps among students
- Use observation-based data to better reach culturally and linguistically diverse learners
- Develop and implement strategies that build students' skills for future success
