The paperback edition contains Books 1 and 2 - Pierced and Escaped. (the e-book versions are sold separately) This Urban Fantasy/Paranormal Romance features a heavily pierced, cooking-obsessed, slightly disfigured, opioid-addicted heroine of South Asian descent, with more than a few social anxiety disorders. But that's only the beginning... Having recently escaped from a vampire compound where the human that ran it was keeping her captive for almost ten years, Pierce is learning to live life (even if it's on the run), take responsibility for the ten-year-old girl who escaped with her, as well as deal with the constant chatter from the two 1945 film characters living in her head and guiding her at every turn. This action-packed, character-driven book is meant to create a solid foundation for more exciting things to come in future installments!
