Would you like to cook restaurant recipes at home? Have you ever been tempted to make a restaurant recipe only to be disappointed by the results? The editors of Cook's Illustrated set out to find out how to make restaurant cooking at home a reality. After collecting together hundreds of recipes they selected 150 recipes that excited them most and spent thousands of hours in their test kitchen making those recipes work. They trimmed each recipe to its essentials without compromising on flavour or visual appeal. Restaurants usually prepare huge batches of food, so the recipes were reworked to serve 4 rather than 40. As a result, Restaurant Favourites at Home offers tried and tested recipes for starters, soups, salads, main courses, side dishes and desserts as well as the usual wealth of tips, tastings and equipment tests that are so much a part of all the Cook's Illustrated recipe books.
