Strange Encounters: UFOs, Aliens and Mothman is a compilation of facts, quotes and information assembled into 8 chapters, each describing a particular incident or encounter with a UFO and sometimes its associated aliens. Throughout the book, the author believes in telling it like it is, with no sensationalism added. In this book you will read about how individuals from all walks of life ranging from plain country folk to law enforcement, military and government personnel deal with such bizarre events. Since the author grew up in Mason County, WV and lived there during the Mothman sightings, one chapter is devoted to that creature. Other events discussed in this book include the Aurora, Texas UFO, the Cape Girardeau UFO, the Flatwoods Monster, the Roswell incident, the Rendlesham Forest UFO, the Kelly-Hopkinsville aliens, and the Kecksburg UFO.
