The Guilty: (Will Robie, Book 4) by David Baldacci | Summary & Analysis

This is a Summary & Analysis. David Baldacci brings back his popular CIA assassin, Will Robie, for this fourth book in the series. Will Robie has earned a reputation as being one of the most cool-headed assassins the United States government has to offer. His impeccable accuracy has relieved his country of more threats than he can count and he bears no remorse for the villains who lose their lives by his bullets. But this time around, Robie's story takes on an entirely different spin when he takes a professional leave of absence. A botched mission leads to the accidental death of a little girl by his hand, it haunts him to the point of interfering with his next assignment.

Baldacci takes a risk by changing his formula with Robie and pulling him out of the role of assassin and into a more personal realm. Though the emersion of Robie into his childhood roots serves to provide a foundation that explains much about him as a character, the story itself falls flat when compared to his previous fast-paced adventures. Robie and his partner Jessica Reel bungle the investigation more than once and continually get away with illegal acts while interfering with a case that they have no professional attachment to. While always portrayed as confident and capable in earlier stories, Baldacci's efforts to remove the characters from their comfort zone only serves to highlight their ineptitude.

This companion also includes the following:

- Book Review
- Story Setting Analysis
- Story elements you may have missed as we decipher the novel
- Summary of the text, with some analytical comments interspersed
- Thought Provoking /or Discussion Questions for both Readers & Book Clubs
- Discussion & Analysis of Themes, Symbols...
- And Much More!

This Analysis fills the gap, making you understand more while enhancing your reading experience.
