## **Why Not Kill Her: A Juror's Perspective: The Jodi Arias Death Penalty Retrial** Paul A. Sanders Jr.

On June 4, 2008, at approximately 5:30 PM, Jodi Arias stabbed Travis Alexander twenty-nine times and then shot him in the head. The killer went to great lengths to cover up her crime including sending his grandmother flowers, going to the memorial service, driving by the victim's house and calling the lead investigator, Detective Esteban Flores. This incident took place in a suburb of Phoenix, Arizona. It would be five years before this case of capital murder would be put in front of a jury to decide the fate of Jodi Arias although the fate of Travis Alexander had been set in stone. Was she a cold, calculating murderess or was she a victim of extreme domestic violence at the hands of an abusive boyfriend? I sat in the gallery and took notes much like I had as a former juror in the death penalty trial of Marissa DeVault. Each night, without fail, those notes were transposed into "A Juror's Perspective" and posted on social media. The perspective was written through the eyes of a death penalty juror in an attempt to understand the new Jodi Arias jury and the great weight that had been placed on their shoulders. Twists and turns in the trial would continue with everything from pornography, racial slurs, calls of malfeasance and a search for the answer to the question of domestic violence and alleged child abuse. The reader will journey into the courtroom every day with the author for a period of forty-seven days. It would be a painful journey with the family as justice searched for the truth in the life and death of Travis Alexander. The journey will walk the reader through the meticulous actions of the courtroom and extend to an appellate court, a municipal court and a day in the original courthouse in Phoenix, Arizona. The trial speaks toward the long arm of the law and the implications of decisions made daily. With the help of former jurors of the Jodi Arias death penalty retrial, the reader will step into the jury box when Jodi Arias was on the witness stand and reach a climax when the reader accompanies the jury foreman into the deliberation room as the jury decides the fate of the defendant. "The lambs to the law were now executors of the law. It was humbling, intimidating and powerful at the same time. It was also the time that the jurors' souls would be tested for truths and experiences that would mark many discussions in the deliberation room. The jury would remember Travis Alexander and what was done to him." Why Not Kill her is the suspenseful follow-up to the authors first book, Brain Damage: A Juror's Tale, the true story of being a death penalty juror on the case of Marissa DeVault and the brutal killing of Dale Harrell. The third revised edition is now available in honor of Dale Harrell. Take a journey into the life of Travis Alexander and a search for truth and justice. Somehow, Lady Justice will wield her sword and the end of a seven year saga would be realized but in no way that anyone could have anticipated. Why Not Kill Her is dedicated to Travis Alexander, his family and all those whom he touched in his short life. Readers comment on, "WHY NOT KILL HER: A Juror's Perspective: "Having sat on this very jury, I can attest to the accuracy and attention to detail...Two thumbs up!" – Haaken L., Jury Foreman / Jodi Arias "Just finished, "WHY NOT KILL HER: A Juror's Perspective." "Every good relationship that has developed as a result of this trial was the manifestation of the Spirit of Travis Alexander." Facebook: Paul Sanders The 13th Juror MD.com
