Dareese "Dollar Bill" Blake is one of those bad guys that women love to hate. In an effort to escape the hood life and dabble in the good life, Dollar quickly grows from a small pup to a big dawg. After carefully critiquing the game, he chooses a concrete type of hustle that he's sure will offer him an early retirement from the workforce.

If you ask his home girl, Thomasena, she'd say it's been nothing but love for Dollar since day one. In Dollar's eyes, however, Thomasena is just one of the boys, so it's no surprise that he tends to overlook her for every other piece of tail that wags by him.

When Dollar calls on Thomasena to help him in the ultimate come-up, will she be able to put her feelings of rejection on the back burner, or will Dollar get burned?
