Gothic Girls Adult Coloring Book (Gothic Girls Adult Coloring Books) (Volume 2) Tabz Jones

Original Gothic Girls greyscale coloring pages for you to color at home! The 30 coloring pages you will find in the pages of this book are based on the original 3D artwork of fantasy artist Tabz Jones. These pages are done in a wide range of greyscale from light to dark to give you a wider variety of options when coloring. The darker images work well with markers, while lighter artworks are great for colored pencils and pastel chalks. **Just a quick note to buyers; You may find that some of the pages in my coloring books are darker than other artist's books, I have found through coloring these pages myself that darker pages lend themselves very well to heavier mediums such as markers, gel pens, and even watercolors. Also, there are new techniques for blending colored pencils such as using baby oil and petroleum jelly that can completely washout lighter pages. I have tried to include a variety of shades to accommodate every skill level, from beginners to advanced in every book that I create. I encourage you to step outside your comfort zone and try something new, I hope that you will be pleasantly surprised by what you can create =)
