Little Women (Oxford World's Classics)

Louisa May Alcott

Little Women (Oxford World's Classics) Louisa May Alcott

This classic story of the March family women and their lives in New England during the Civil War has remained enduringly popular since its publication in 1868. Poor, argumentative, loving, and optimistic, the March sisters struggle to supplement their family's meager income and realize their own dreams. This highly autobiographical novel shows us women who are strong-minded and independent in their determination to control their own destiny. The introduction to this edition provides a fascinating history of the Alcotts, and a biographical history of Louisa Alcott's own struggles as a writer.

About the Series: For over 100 years **Oxford World's Classics** has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.
