Mark (Westminster Bible Companion) Douglas R. A. Hare

Mark, often eclipsed by the other Synoptic Gospels, is now considered by many biblical scholars to be the earliest written gospel. This conclusion would place Mark closest to the historical Jesus. In his book, Douglas Hare examines Mark for modern Christians who are in search of the Jesus portrayed in these earliest known writings. What emerges is a Jesus whose moral and religious teachings are of secondary importance to the very fact of his life, death, and resurrection. For it is the Jesus depicted in Mark that serves as the window through which we may see God. God's love for humankind, Hare contends, is made visible through Mark's Jesus.

Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.
