Sounds & Vision - Selected Poems and Lyrics Simon Garlick

Sounds & Vision – Selected Poems and Lyrics is a selection of poems and lyrics by writer Simon Garlick.

The first collection of Simon's poems cover themes which include the growing pains of youth and teenage years, through the loves, the laughs and the losses that life brings with it.

Simon documented his feelings in both poems and songs and he has decided to share the best of them, the interesting, the fun, and the anger. This collection spans the years from 1992 -2012 which those of you with any sense will soon realise is a whole 20 years and so 40 poems may not seem like a great amount of work in those 20 years and indeed, there were more.... Just these are his favourites.

Simon Played in a number of Bands including 'Rainbow Junction' and 'Brand' and also performed solo in both the north of England and Wales.
