An innocent beauty looking for answers turns to a detective looking for vengeance

One day. One town. Three missing women. Things like this didn't happen in Culpepper. Except that they had—once before. Eleven years ago, young Braydon Thatcher was unable to stop a tragic murder, one that hit painfully close to home. Now a detective, Braydon can't help but notice the eerie similarities between the two crimes. But he has to focus on the present and keep distractions to a minimum. Distractions like Sophia Hardwick, who crashes into town like a Florida thunderstorm, demanding to know where her missing sister is. The attraction between them is nearly his undoing. But he has to protect her, because it's clear someone is resurrecting ghosts in order to punish Braydon. And if he lets his emotions for Sophia get the best of him, she could become yet another victim...
