## **Rumbo Al Final: La Agonia del Planeta (Spanish Edition)** Alcides Vidal

La obra identifica que el planeta tierra se encuentra en su definitivo "Rumbo al final" y que merece la urgente atencion del ser humano. Al mismo tiempo denuncia que la especie humana se ha apropiado del planeta tierra con absoluta exclusividad, sin tener en consideracion la vida de las demas especies, mas aun al acercarse la sobrepoblacion humana que se agudizara a mediados de este siglo. Critica que con el advenimiento de la modernidad aparecieron gigantescos problemas globales que obligan a participar mas activamente en la busqueda de alternativas de solucion. Son realidades que proyectan problemas calamitosos para el planeta tierra, su biodiversidad y para la especie humana. El libro se propone concientizar a la sociedad mundo para cambiar paradigmas, con el intuito de intentar desacelerar el ritmo del definitivo "Rumbo al final" del planeta tierra, en beneficio de todos."
