Chick Lit Mystery - The Susan Hunter books are not your typical mysteries, and Susan is not your typical sleuth. Often, she is simply in the wrong place at the wrong time, and things go downhill quickly. All the books cross genres of chick lit, mystery, romance, humor, and action, bringing you a fast-paced, easy-breezy read.

When Susan Hunter discovers her boyfriend of three months is married, she accepts an offer from her best friend to tag along for a week in Florida. They barely have time to hit the beach before she believes someone is stalking them. When she learns of a murder back home, she also finds out she's wanted for questioning. The story takes an adventurous turn when she winds up in the Gulf of Mexico. ... Humorous, sometimes ominous, Sunshine Hunter is quirky and fun!
