* Beautifully illustrated with atmospheric paintings by renowned artists, The Prisoner of Zenda is a gripping adventure novel set in the fictional country of Ruritania. The king of this fictional country is drugged on the eve of his coronation and thus unable to attend the ceremony. Political forces are such that in order for the king to retain his crown his coronation must go forward. An English gentleman on holiday who fortuitously resembles the monarch, is persuaded to act as his political decoy in an attempt to save the situation.

* Just as accessible and enjoyable for today's readers as it would have been when first published, the novel is one of the great works of English literature and continues to be widely read throughout the world.

* This meticulous digital edition from Heritage Illustrated Publishing is a faithful reproduction of the original text and is enhanced with images of classic works of art carefully selected by our team of professional editors.
