Building An Internal Certification Program (Infoline ASTD) Alicia White

In today's fast-paced society where almost everyone is trying to get ahead, it seems there is a certification for almost everything. You can become a Certified Technical Trainer (CTT), a Professional in Human Resources (PHR), a Microsoft Certified System Engineer (MCSE), a Certified Network Engineer (CNE), or a master mechanic, to name a few. This Info-line provides a simple step-by-step guide on how to plan, create, implement, and market an internal certification program. The content is generic-it can be used to create anything from an IT certification program to a training certification program.
