EL PERSEGUIDO Kurt SONNENFELD

Mucho es lo que se ha hablado sobre la trama oculta detras del ataque al World Trade Center en Nueva York. Sin embargo el testimonio en primera persona de Kurt Sonnenfeld llega mas lejos que cualquiera de las teorias conspirativas planteadas hasta el momento. Sonnenfeld fue parte activa de FEMA (Federal Emergency Management Agency) una agencia federal del gobierno que toma a su cargo el seguimiento de las catastrofes los desastres naturales y no tan naturales que ocurren en los Estados Unidos. Como camarografo tuvo a su cargo la documentacion en imagenes del Ground Zero el centro neuralgico del ataque terrorista. A partir de entonces y de ser acusado sin pruebas por un crimen que no cometio Sonnenfeld se transformo en un perseguido . Y es que en sus tareas de investigacion en la zona reservada solo a organismos oficiales algo vio. Algo que sin dudas no debia ver y que decidio no entregar como informacion a las autoridades. Fue asi que la carcel la tortura le persecucion por parte de los servicios secretos de los Estados Unidos y un exilio forzado que lo llevo hasta Buenos Aires se hicieron cotidianos en una vida que a partir del 11-S cambio definitivamente su rumbo. De ahi la importancia de un libro como El perseguido. Porque mas alla de dar cuenta de una historia personal se transforma en un documento que devela toda la verdad de uno de los hechos politicos mas importantes de los ultimos tiempos.
