Female Trouble: Stories Antonya Nelson

Female Trouble features thirteen wise, funny, and startlingly perceptive stories about the vagaries and revelations of womanhood. Named by *The New Yorker* as one of the twenty best writers of her generation, Antonya Nelson explores the broad notion of family from myriad angles in *Female Trouble*. Set in the vividly rendered Midwest, these moving stories are dark and honest portraits of people in moral quandaries, gray areas, unclear circumstances -- from the three-timing thirty-year-old man of the title story to the divorced mother of a turbulent teen in "Incognito" to the sexually adventurous daughter of an adulterous mother in "Stitches." With *Female Trouble*, Nelson has created a cast of memorable characters who reveal us to ourselves with disturbing clarity and conscience.
