Hollywood Secrets of Project Management Success (PRO-best Practices) (Best Practices (Microsoft))

James R. Persse PhD

Learn best practices for managing software development projects from an unexpected but surprisingly relevant source: the producers of major motion pictures.

What can Hollywood's hundred years of filmmaking experience teach the software industry? Like movies, software projects can be complex, creative, and high risk. But Hollywood has a better track record for delivering projects to plan. Now you can apply the project-management best practices used by motion-picture producers and production managers to your own work and get better results.

The author, an expert in software engineering and process improvement, shares what he's learned from film-industry project managers to delivering software projects on time and on budget. You'll gain practical insights and effective techniques you can apply right away for estimation and planning; controlling costs, schedules, and changes; coordinating multiple teams; tracking progress; reporting status; managing logistics; management reviews; and more.

Key Book Benefits:

• Applies the project management techniques developed in one complex, creative, high-risk environment to another with surprising relevance and results
• Describes best practices to improve the way you estimate, plan, budget, manage, and report software projects leading to better, on-target results
• Features case studies based on numerous interviews with noted Hollywood producers and production managers with insights immediately useful to project managers working in the software industry

It can't be explained constantly that reading practice only for the geeky person but for all of you who wants to possibly be success person. So , for every you who want to start examining as your good habit, you may pick Hollywood Secrets of Project Management Success (PRO-best Practices) (Best Practices (Microsoft)) become your starter.

Carmen Bell:

In this particular era which is the greater man or who has ability to do something more are more treasured than other. Do you want to become among it? It is just simple approach to have that. What you have to do is just spending your time not much but quite enough to experience a look at some books. Among the books in the top collection in your reading list is actually Hollywood Secrets of Project Management Success (PRO-best Practices) (Best Practices (Microsoft)). This book that is qualified as The Hungry Hillside can get you closer in turning into precious person. By looking up and review this reserve you can get many advantages.

Josephine Weeks:

As a college student exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach

Chinese's country. So , this Hollywood Secrets of Project Management Success (PRO-best Practices) (Best Practices (Microsoft)) can make you truly feel more interested to read.
