Axel is a twenty three year old werewolf living in Portland, Oregon with a girlfriend who decides to cheat on her. One night while in her wolf form, running in the forest with her brothers, Axel sees a young woman who is lost in the dark. Taking matters in her own paws, Axel transforms in front of the woman and talks to her - then she can't get her out of her head. She doesn't realize she's fallen for the woman until one day they meet up again and spend a memorable night together. Little does Axel know, however, is that her very life will be changing.
