Barbara Hodgson

Opium: A Portrait of the Heavenly Demon Barbara Hodgson

With its connotations of mystery and sinister beauty, opium holds a near mythical place in the popular imagination. From swaying poppy fields to dimly lit, smoke-laden opium dens, author Barbara Hodgson traces the path of opium's creation and consumption, and describes how it has been alternately rhapsodized, demonized, and anointed. A seductive muse that fueled the visions of artists, writers, and poets including Baudelaire, Coleridge, Wilde, and Poe, opium was also used in hundreds of commonly consumed patent medicines. Today, opium remains one of the most widely trafficked drugs and its story is by turns strange, comic, and dark. Illuminated by an amazing array of archival photographs, rare engravings, movie stills, and lurid dime store book covers, *Opium* is an engrossing look at this illicit indulgence.

From reader reviews:

Jewel Williams:

Exactly why? Because this Opium: A Portrait of the Heavenly Demon is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will jolt you with the secret it inside. Reading this book alongside it was fantastic author who have write the book in such wonderful way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of advantages than the other book get such as help improving your proficiency and your critical thinking means. So , still want to hold off having that book? If I were you I will go to the reserve store hurriedly.

Carol Reck:

Playing with family within a park, coming to see the sea world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Opium: A Portrait of the Heavenly Demon, you could enjoy both. It is excellent combination right, you still would like to miss it? What kind of hangout type is it? Oh seriously its mind hangout fellas. What? Still don't get it, oh come on its referred to as reading friends.

Janice Pyles:
