Stage Lighting in the Boondocks: A Stage Lighting Manual for Simplified Stagecraft Systems James Hull Miller

This leading authority in small theatre stagecraft shows and tells how professional-quality lighting can be achieved within the limitations of school auditoriums, community theatres, and churches. Part I of this stagecraft book contains a short section on stage lighting in general, plus a number of lighting solutions for specific programs and locations. Part II contains more detailed information on dimmers, lamps, spotlight types, filters, connectors, control boards, homemade equipment, and the like. This is a workshop book with many art illustrations.
