“So you fix broken hearts, do you?” I ask. “Seems a little ironic.”

Noah Carter is one of the best cardiothoracic doctors in the country. He’s incredibly intelligent, funny, kind and he’s a beast in the bedroom. He has scars that drizzle down his chest and painful memories of an unforgettable night that plague his every waking hour.

Seven years ago, Noah stumbled upon me at the side of a grave and saved me in one of the most compassionate ways another human being can save another. I will always love him for that. Always.

He loved me in a way that no man has ever loved me since, and I gave him everything. I gave it all to him until my secrets and lies tore us apart, forcing me to shatter his heart into a thousand little pieces.

Seven years ago, he loved me...but now he hates me. And I hate that he hates me. Leaving Noah is my biggest regret in life - and I have a lot of things that I regret. A lot.

I’m Ariel Miller, and this is the story of Noah and Me.
