2. Formatted for e-reader
3. Font adjustments & biography included
4. Illustrated

About On The Decay Of The Art Of Lying by Mark Twain

On the Decay of the Art of Lying is a short essay written by Mark Twain in 1880 for a meeting of the Historical and Antiquarian Club of Hartford, Connecticut. Twain published the text in *The Stolen White Elephant Etc.* (1882). In the essay, Twain laments the four ways in which men of America's Gilded Age employ man's 'most faithful friend'. He concludes by insisting that: the wise thing is for us diligently to train ourselves to lie thoughtfully, judiciously; to lie with a good object, and not an evil one; to lie for others' advantage, and not our own; to lie healingly, charitably, humanely, not cruelly, hurtfully, maliciously; to lie gracefully and graciously, not awkwardly and clumsily; to lie firmly, frankly, squarely, with head erect, not haltingly, tortuously, with pusillanimous mien, as being ashamed of our high calling. The essay, Twain notes, was "offered for the thirty-dollar prize," but it "did not take the prize."
