From reviews of the book:

“The writing is on level and easy to comprehend. . . . The key strengths of the project include research-based text as it relates to ‘practical classroom management,’ supported by examples from real classrooms. . . . The author provides the information in a logical sequence that is fitting for any classroom management course.”

--John Barbato, University of South Florida

“[The text] has examples and forms that I encourage my students to keep....Using this text, preservice teachers are exposed to strategies that are practiced in classrooms and problems associated with the dynamics of implementation.”

--Antwuan Stinson, Alabama State University
