Pulling Weeds: Poems from the Garden Mr. John Michael Willoughby Poignand

"Pulling Weeds" is a collection of Poems inspired by my Gardens on Cape Cod, by life experiences, growing up in a war torn England, raising a family and more. In this selection of poems , I share my views of the changing seasons, evolving Love and marriage, a growing family, Nature, and more. Some of the poems involve Humor, while others question existence and the meaning of life. Hopefully, you will find images you'll recognize, presented visually with warmth and love; others may surprise and even inspire. Life's a long walk but worth every step. John Poignand
