The Night Is Watching (Krewe of Hunters) Heather Graham

The dead of night

The Old West town of Lily, Arizona, is home to the Gilded Lily, a former theater...and bawdy house. These days, it offers theatrical productions geared to tourists, but the recent discovery of a skull, a *real* skull, among the props and costumes shakes everyone up.

So, who do you call? The Krewe of Hunters, a special FBI unit of paranormal investigators. In this case, it's agent Jane Everett. Jane's also a talented artist who creates images of the dead as they once were. But the Krewe always works with local law enforcement, and here that means Sloan Trent, former Houston cop and now sheriff. His great-great-grandmother was an actress at the Gilded Lily...and she's *not* resting in peace.

Then more remains appear in the nearby desert. As they search for answers, using *all* the skills at their disposal, Jane and Sloan find themselves falling into danger—and into love.
