A New York Times Notable Book

“Casts a searing eye on the labyrinth that is the American foster care system.” — NPR’s *On Point*

Who are the children of foster care? What, as a country, do we owe them? Cris Beam, a foster mother herself, spent five years immersed in the world of foster care looking into these questions and tracing firsthand stories. The result is *To the End of June*, an unforgettable portrait that takes us deep inside the lives of foster children in their search for a stable, loving family.

Beam shows us the intricacies of growing up in the system—the back-and-forth with agencies, the rootless shuffling between homes, the emotionally charged tug between foster and birth parents, the terrifying push out of foster care and into adulthood. Humanizing and challenging a broken system, *To the End of June* offers a tribute to resiliency and hope for real change.

“[A] powerful . . . and refreshing read.” — *Chicago Tribune*

“A sharp critique of foster-care policies and a searching exploration of the meaning of family.” — *Publishers Weekly*, starred review

“Heart-rending and tentatively hopeful.” — *Salon*
