Create Tarot Naturally is a comprehensive guide to construct your own personal tarot cards. Gillian Avart shows you how to create a personal worksheet: a description of the pictures she uses; how the photos link to traditional cards; informs you what to say when the card is picked; how she came across the pictures; and what to look for. After you have created worksheets for different types of cards (Majors, wands, cups, swords, disks), there is a quiz for each one to test your knowledge and understanding. Finally, she gives step-by-step instructions on how to print, cut and prepare the cards, how to give readings and - importantly - how you can learn from her experiences to make your project run smoothly and trouble-free. Whether you are a novice or already an avid Tarot reader, this guide could be what you've been looking for.
