**For The One (Gaming The System) (Volume 5)** Brenna Aubrey

**He's got everything but game....**

William Drake is an artistic genius with a photographic memory and the intensity to master practically any task. Oh, and he owns a chunk of a billion-dollar gaming company. A twenty-six year-old guy with his wealth, talent, and good looks shouldn't have problems winning over women. Except he does. To be exact—and detail-obsessed William is always exact—he's got problems with Jenna Kovac, the troubled beauty who has his heart working overtime and his tongue tied in knots.

**And she can't afford to lose.**

Jenna Kovac is a survivor. When war ripped her world apart, she lost her family, her homeland, and her one true love. She's made a new life for herself in the US, but she's learned that nothing is permanent, and some nights it's not even safe to dream. When a scumbag sells her future out from under her, suddenly the only man who can get it back is William Drake, geeky—but scorching-hot—social disaster. William must learn to stay cool under pressure for the all-important duel he's about to fight. Unless she can teach him to loosen up, she'll lose everything. Again.

But Jenna's got a few things to learn from this irresistibly enigmatic man. As they spend time together, they're soon exchanging long, slow kisses—and painful secrets. There's so much more to William.

**Something that might be worth taking one more risk...**
