When Jenine finds an abandoned Polaroid camera in a lighthouse, she takes a photo for fun. But there's something very, very wrong with the picture: it contains ghosts.

Jenine and her best friend, Bree, realise the camera is capable of capturing the dead. But with each new photo taken, the spectres become more aware and more alert, and begin stalking the friends. Desperate, they seek the help of a paranormal researcher. But his news isn't good: they've meddled with a supernatural power far beyond their control, and the ghosts won't stop... not until Jenine and Bree are dead.
