## **Questioni culturali intorno alle unioni civili (Italian Edition)** Persona è futuro

Il volume esprime alcune riflessioni giuridiche, storiche, sociologiche e antropologiche, suscitate dal dibattito politico nel momento di approvazione della legge sulle unioni civili. Gli autori desiderano contribuire al dibattito offrendo un punto di vista originale e personalista, che comunque richiami il pubblico generale ai motivi che rendono necessarie le diverse e distinte discipline del matrimonio e delle unioni civili. Il tutto fuori dagli schemi intollerabili di chi divide le idee e le persone in due: "omofobi" o "contro natura".
