Commodity Trader's Almanac 2013: For Active Traders of Futures, Forex, Stocks, Options, and ETFs

Jeffrey A. Hirsch, John L. Person

An indispensable resource for today's active commodity, currency, futures, and ETF trader In the 2013 Edition of the Commodity Trader's Almanac , Jeffrey Hirsch has once again put together an essential tool for both professional traders and those who are just getting started and need to understand the complex and exciting world of alternatives. Created in a similar fashion to the Stock Trader's Almanac --trusted for over 40 years--the Commodity Trader's Almanac is a comprehensive guide featuring monthly strategies, patterns, trends, and trading techniques geared towards the major commodities and currencies, as well as ETFs, futures, and options. It also contains in-depth insights on various topics of interest to the active trader and investing public; as well as market highlights that cover key supply, demand, and seasonal tendencies on markets including crude oil, ethanol, and precious metals; critical agricultural products such as corn, wheat, and cattle; and foreign currencies like the British pound and the Euro. The Commodity Trader's Almanac also describes how investors can utilize futures, options, and ETFs in their endeavors. Helps you understand how commodity pricing works and offers great insight into investing in them Alerts you to little-known market patterns and tendencies to help forecast commodity market trends with accuracy and confidence Contains expanded coverage on timing tools with tips on utilizing candlesticks and pivot points to better time seasonal trades, and more Includes business cycle analysis and trading tips for the current climate Intended for active traders and investors interested in making the most out of today's commodity, ETF, futures, options, and currencies markets, this guide will make you a better trade in the search for greater profits.
