HALLOWEEN First Last

Halloween, you'd not be surprised to know, is my favourite holiday. - J. K. Rowling. This startling book reveals the secret history of Halloween. Its findings are unexpected and occasionally controversial. Halloween was not the ""Celtic Festival of the Dead"" - far from the claims of druid sacrifice and blood rites, the feis of Samain was in fact marked by notorious revels of drinking and feasting. The dead were actually brought to 31st October by the later Christian festivals of All Saints and All Souls. Ancient monuments including British standing stone circles and pyramids in Egypt and South America were aligned to the rising of the star constellation of the Pleiades - at October's end. The most famous of the Scottish witch trials centered on an alleged plot to assassinate King James VI, hatched at a Halloween night witches sabbat. Irish and Scottish customs and superstitions travelled with emigration to America. Halloween rites described in an 18th century poem by Robert Burns survived into 20th century America and today's trick or treating is an evolution of Scots guising. Halloween has its origins in Scotland. The huge success of the Harry Potter novels has coincided with the unprecedented rise in Halloween's popularity and the mainstream acceptance of modern witchcraft. All three have been attacked by the Fundamentalist Religious Right, which seeks to have them banned from American schools and communities.

From reader reviews:

Marjorie Brown:

The book HALLOWEEN can give more knowledge and information about everything you want. Why must we leave a very important thing like a book HALLOWEEN? A number of you have a different opinion about book. But one aim that book can give many details for us. It is absolutely correct. Right now, try to closer with your book. Knowledge or data that you take for that, you are able to give for each other; it is possible to share all of these. Book HALLOWEEN has simple shape but the truth is know: it has great and massive function for you. You can look the enormous world by wide open and read a book. So it is very wonderful.

Julie Flanagan:

Book is to be different for every grade. Book for children till adult are different content. As we know that book is very important for all of us. The book HALLOWEEN had been making you to know about other expertise and of course you can take more information. It is very advantages for you. The guide HALLOWEEN is not only giving you a lot more new information but also to become your friend when you really feel bored. You can spend your own spend time to read your reserve. Try to make relationship while using book HALLOWEEN. You never sense lose out for everything if you read some books.

Maria Lamotte:

This book untitled HALLOWEEN to be one of several books which best seller in this year, honestly, that is because when you read this publication you can get a lot of benefit onto it. You will easily to buy this particular book in the book retail store or you can order it through online. The publisher of this book sells the e-book too. It makes you more easily to read this book, as you can read this book in your Smart phone. So there is no reason to you to past this guide from your list.

Lester Baker:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just minor students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this HALLOWEEN can make you truly feel more interested to read.
