Hayek's Journey: The Mind of Friedrich Hayek

Dr. Alan Ebenstein, Alan Ebenstein

Hayek's Journey: The Mind of Friedrich Hayek Dr. Alan Ebenstein, Alan Ebenstein

While Alan Ebenstein's biography of Friedrich Hayek was the first biography of this major twentieth century thinker, the book itself was not - per se - an intellectual biography. Hayek's Journey will be the follow-up volume that will give readers an in-depth look at the evolution of his thought, the influence of the Austrian School of Economics, the roles of Wittgenstein, Freud and Kant in his thinking; his relationship with Karl Popper, etc. This will become a classic of Hayek scholarship by the author credited with writing the first biography of a man who is now widely-regarded as a seer in relationship to the course of the twentieth century.
