Twenty minutes a day to a deeper understanding of God's presence in your life

He was saved from death on the Nile and raised as an Egyptian prince. He met his wife at a Midianite well, witnessed the birth of a nation as the Red Sea parted, and watched water gush from a rock with one touch of his rod. He died overlooking the Jordan River. In fact, Moses's entire life can be viewed through the water that redirected him.

In this engaging study, Bible teacher Lenya Heitzig encourages you to consider the “watershed” moments in your own spiritual journey. Each day's lesson is structured in five parts: **Lift up** (*prayer*), **Look at** (*God's Word*), **Learn about** (*new insights*), **Live out** (*application*), **Listen to** (*quotes from other believers*)

The Fresh Life series was created by women, for women—women who crave a profound experience of God's Word without an overwhelming commitment of time. With each lesson, you will come to a deeper understanding of the truths of the Bible and develop a deeper intimacy with God.
