Critical acclaim for *Sisters in the Resistance* "Often moving ...always fascinating ...women in the French Resistance is a key subject. Margaret Weitz has gathered personal testimonies ...and set them in an intelligible context that helps us understand how all French people--men and women--experienced the Nazi occupation." --Robert Paxton, Mellon Professor of Social Sciences, Columbia University, and author of *Vichy France: Old Guard and New Order, 1940-1944*. "Compulsive reading ...a valuable book which vividly portrays the intricacies of resistance within France, written in an easy but serious style." --Times Literary Supplement (London). "An absolutely stunning and compelling chronicle of dauntless courage and unflagging patriotism." --Booklist. "[Margaret Collins Weitz's] well-researched, thoughtful study...has filled a gap in the history of World War II." --Publishers Weekly. "Balancing absorbing narrative and astute analysis, Margaret Collins Weitz has integrated the unsung achievements of women into the history of the French Resistance." --Carole Fink, Professor of History, The Ohio State University, and author of *Marc Bloch: A Life in History*. "Fifty years after the end of World War II, *Sisters in the Resistance* renders homage to the courageous women of the French Resistance. It is high time for their contributions to be fully acknowledged, and fortunate indeed that they have found such a sympathetic, scholarly, and lucid chronicler in Margaret Collins Weitz." --Marilyn Yalom, author of *Blood Sisters: The French Revolution in Women's Memory*.
