Arthur Blecher

The New American Judaism: The Way Forward on Challenging Issues from Intermarriage to Jewish Identity Arthur Blecher

Popular Washington, D.C. rabbi and psychotherapist Arthur Blecher believes that the American Jewish community is actually flourishing amidst fears of dying out. He shows us that intermarriage strengthens Judaism--a concept that many Jews continue to debate. In straightforward and engaging chapters, he provides a progressive and positive outline of how this religion has changed over the years, and why American Jewish culture must be embraced and discussed in depth in Jewish families. This is a fascinating exploration of the ways in which social and psychological forces created a new and quite different form of Judaism in America more than one hundred years ago.
